Burn ban prohibiting outdoor burning until further notice.

The burn ban is effective as of 1:00 p.m. on October 6, 2022:

I, Leslie Stith, Meade County Judge Executive; hereby declare a Fire Emergency and Burn Ban effectively banning the starting of fires in an unenclosed space including burning of leaves, grass clippings, garbage pits, construction debris, fallen trees, crop residue or hay, land sloughs and bonfires. The protracted dry conditions within Meade County are posing a serious threat for wildfires. The continued lack of rain combined with low relative humidity and periods of strong winds are putting this community at a very high risk. This burn ban is meant to prevent unnecessary burning reducing the chance of avoidable fires. It will remain in effect until we receive sufficient rainfall to lower the threat of fire danger to Meade County, Kentucky.

Leslie Stith, Meade County Judge Executive

BURN BAN EFFECTIVE 10-31-2022
