The individual may mitigate the danger and follow this Ordinance otherwise to have the animal returned to them.

9. Sex Acts. No person shall engage, cause, or allow any others to engage in sexual acts with animals.

10. Cruelty. A person shall be cited for Animal Cruelty for failing to provide adequate food and water, failing to detect the need for or withholding veterinary or health care that results in suffering, serious illness, or death; creating or allowing unhealthy living conditions; inflicting pain, injury or death to an animal by striking, beating, dropping, kicking, dragging, choking or use of object or weapon; causing pain, injury or death by means of caustic, flammable, boiling or heated substances; causing suffocation or drowning, failing to provide health-related grooming; performing ear cropping, tail docking, or castration on a dog, cat, ferret, or horse, by someone other than a licensed veterinarian (Exemptions are standard livestock practices); conducting or allowing to conduct animals fighting; failure to provide shade from sun or shelter from extreme cold temperatures.

2. Confiscation. Any animal found in violation of this Ordinance may be confiscated by any ACO or Peace Officer and impounded in a humane manner. The owner or person responsible for violation of this Ordinance, upon conviction in a court of law, shall surrender any confiscated animal which will become the property of Meade County, and such owner shall pay all veterinary fees, impoundment fees, and any charges incidental to maintaining the animal(s) up to the date of conviction.

3. Quarantine. Any animal which has bitten or scratched and broken the skin of a person or other animal shall be immediately impounded by the ACO of the Meade County Animal Shelter and immediately quarantined for the observation of symptoms of rabies; this impoundment shall be immediately followed by written notification to the Meade County Health Department. This quarantine shall be in a secure enclosure which prevents the animal from coming into unplanned contact with other animals or persons for a period of ten (10) days from the date of the incident or as directed by the Meade County Health Department per KRS 258.085. Quarantined animals will be held at the Meade County Animal Shelter, approved boarding facility, or veterinarian.
