RE: PRECINCT ESTABLISHMENT ORDER APPROVAL (Meade County)

---

Dear Ms. Clerk Masterson:

After review of your Precinct Establishment Order made to the State Board of Elections during this period of the 2023 Reapportionment Process passed by the Kentucky General Assembly in the 2022 Regular Session with the enactment of House Bill 212, the State Board of Elections finds that your requested county precincts:

1. Do not cross any boundary listed KRS 117.055 (1)(a-g);
2. Are in compliance with KRS 117.055, 117.0551, and 117.0552;
3. Have been reviewed by SBE in accordance with KRS 117.0553;
4. And have been submitted to the Kentucky Legislative Research Commission for comments as stated in KRS 117.0556.

With those facts in order and having heard no comments that would prevent approval, SBE has determined that your PEO complies with Kentucky Law, and this letter hereby serves as official notice that the Order submitted by your County Board of Elections is approved for the following precincts:
