The Meade County Planning and Zoning Commission met in a Regular Meeting on April 4, 2024, to consider this request for zoning map amendment.

Motion was made by Commissioner Mattingly to forward the request to Meade County Fiscal Court with a recommendation that the amendment BE APPROVED.

The Motion was seconded by Commissioner Doman and passed by the Commission with a unanimous vote.

This recommendation is based upon the findings as follows:

1. The Application requested rezoning of two properties, with the tracts of land identified in the application as currently zoned as A-2 Agricultural to Business B-2.
2. The Commission believes this is good development for the area as there is a business already in the area.
3. Testimony from several individuals in the public hearing indicated no concerns after details were explained.

That the requested zoning change for Map/Parcel 086-00-00-028 & 086-00-00-048.10 is consistent Land Use Goal 5, Objective 3.
