WHEREAS, the Meade County Planning Commission and Fiscal Court have adopted Ordinance 4.3.7 to define, categorize and regulate Solar Energy Systems (SES); and

WHEREAS, Section 4.3.7 partially defines Levels Two and Three Solar Energy Systems (SES) as those which “shall be a conditional use in all Agricultural or Commercial/Heavy Industrial Zones”; and

WHEREAS, the Meade County Planning Commission and Fiscal Court intend to further analyze and study these aforementioned negative effects of the Levels Two and Three Solar Energy Systems (SES) to determine if amendments or repeals to existing regulations, if any, are necessary to reduce these aforementioned negative effects; and

WHEREAS, the Meade County Planning Commission and Fiscal Court intend to initiate a temporary moratorium on the acceptance and processing of all applications for Levels Two and Three Solar Energy Systems (SES) in order to eliminate any potential furtherance of these aforementioned negative effects to Meade County neighborhoods, communities, and residents while this analysis and study occur; and
